

Invitation to the conference »Strategies for promoting preconception health: state of the art and challenges«

Izola, Slovenia, 17 September 2020

Dear All,

You are kindly invited to the scientific and professional international conference »**Strategies for promoting preconception health: state of the art and challenges**«, organised by the Faculty of Health Sciences, University of Primorska. The conference will be held on 17 September 2020, at the aforementioned faculty, address: Polje 42, Izola, Slovenia (classroom 4, Floor 3, entrance from the Izola General hospital), The conference is co-financed by the Erasmus+ KA2 programme (»Cooperation on innovation and exchange of good practices«), therefore participation is **free of charge**.

At the conference, eminent plenary speakers will participate: dr. Bole Grace, University College London, United Kingdom, and dr. Zalka Drglin, National Institute of Public Health, Slovenia, and other notable experts in preconception health from Tampere University of Applied Sciences, Finland; Carinthia University of Applied Sciences, Klagenfurt, Austria; VIVES University of Applied Sciences, Brugge, Belgium; Faculty of Health Sciences, University of Ljubljana and Faculty of Health Sciences, University of Primorska, all project team members of the PreconNet project (»PRECONCEPTION HEALTH OF YOUTH, bridging the gap in and through education«). In the afternoon session, various preconception teaching/learning tools will be presented in a practical workshop. Hence, it is advisable (not mandatory) to bring your own laptop or tablet.

Please register at the following link: <https://tinyurl.com/PreconNetConf2020>

The application for the allocation of license points was applied to the Nurses and Midwives Association of Slovenia, hence, we are waiting for the confirmation. For additional information, please, feel free to contact us at preconnet@fvz.upr.si (Patrik Pucer and Boštjan Žvanut).

Please, spread the information about this important event, send it to your colleagues and other project and business partners. Follow our web page preco.tamk.fi and Facebook page <https://www.facebook.com/PreconNet/>.
